Please help us evaluate how well we did this season by printing this form, completing it in an honest, straightforward manner, and then mailing, to one of the administrators listed below. The purpose of the survey is to (1) provide an avenue for parents and athletes to express their opinion and (2) to improve our extracurricular programs to their fullest. We value your input and we believe this will only make our program and our coaches even better. If you believe that a criteria should be graded a 2 or lower please justify your answer by utilizing the comments section, in order to help us address our weaknesses. If you feel you do not have a legitimate opinion on one of the questions, you may mark "I don't know". Thank you for your time and effort filling out this survey.
